

The image features a collage of three leather samples. On the left is a dark green leather with a pebbled texture. At the top center is a bright blue leather with a smooth finish. On the right is a tan leather with a smooth finish. In the foreground, overlapping the other samples, is a white leather with a pebbled texture. The text 'EZY' is centered on the white leather in a large, bold, black serif font.

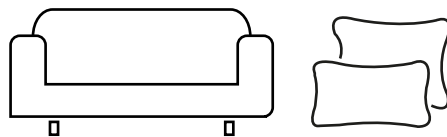

**EZY**

EASY CLEAN LEATHER

CARE INSTRUCTIONS

USAGE

Composition :

Face : 88% Polyester, 12% Semi Silicone Gel

Backing : 75% Polyester, 25% Semi Silicone

Width : 140 cm

Made with easy clean technology

Color shades slightly vary from dye-lot to dye-lot
